

The Windsock

Canyon
Crosswinds
October 14, 2018

Greetings to all,

As of the September Meeting the membership is at 82.

Not much going on at the field the last month, even the amount of members showing up has been low. The weekends look like the week days. Lots of flying for those that do show up.

FLOAT FLY UPDATE: The first Float Fly is came up on Saturday September 29, 2018. The turnout was good with 24 registered flyers. Flying was brisk with lots of boat work retrieving crashed planes. There was one injury when a flyer stuck his fingers into a prop twice. He was taken to hospital and the last we heard was taken into surgery. Thanks to Bob Awtry, Bill Ardizzone, Jack Allaway, Doug Russell, and Kevin Thompson for all their work with this event. The second is scheduled for Saturday October 27, 2018. We could use some help for this event as some of the guys won't be available on this date. If you would like to help at the next event contact Bob. The cost of the event will still be \$25 and this includes lunch.

Remember that starting in membership year 2019, the Canyon Crosswinds annual dues will be \$250 per year for all Memberships except Junior Membership.

Junior Membership will be \$80 per year.

New Membership will be \$250 and there will be no Runway Fee.

The membership renewal period is open now and the renewal period closes March 1, 2019.

Attached is the monthly Treasurer's Report. Take a look at the club balance and the monthly cost and this will explain why we need the increase.

FIELD SAFETY ITEM: When flying to the west (lake) side of the field, watch out when heading to the south. We have had planes flying over the area where the heli members stand when flying. We don't need to fly over their heads so please stay out of that area. Also watch out for fingers and props. Thanks you.

FUEL UPDATE: The Club again has Power Master Fuel 15% at the field. Thanks to Bob Awtry for arranging the purchase and picking it up. As of this writing we have 13 gallons on hand. Smith Brothers does us a favor by selling it to the club for cost. So remember them when buying your rc supplies. See a club officer to purchase your fuel. The price is still \$20 a gallon.

The Board welcomes your ideals to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism. Remember your Board does the job for free and if you are unhappy with the Board or their actions then feel free to step up and run of office.

The next regular Board-General Meeting will be at Mimi's Café, 24201 W Magic Mountain Parkway on Wednesday October 24, 2018 at 7:00 PM. Come join us for dinner or a piece of pie, cake, or muffin and visiting. We meet at 6:00 P.M. for dinner. All members and guest are invited.

That's it for now.
Take care and stay safe,
Jim Desautels
