

The Windsock

Canyon
Crosswinds
February 9,
2019

Greetings to all,

As of the January Meeting the renewal membership is at 50.

I believe it has increase over that. Thank you to all of you that have renewed your membership. I know that the increase was a lot but I believe the Club will be better for it in the long run. Again thank you.

For those of you that have now renewed remember that starting this membership year, 2019, the Canyon Crosswinds annual dues will be \$250 per year for all Memberships except Junior Membership. Junior Membership will be \$80 per year. The renewal period ends February 28, 2019 and any member not paid will be dropped from the membership. At this time we will look at changing the field locks again.

New Membership will be \$250 and there will be no Runway Fee.

Please remember to attach a Club application with your payment and PLEASE make sure your e-mail address is clear to read so that we can make sure it gets entered correctly.

Thanks to Bill Ardizzone and Jim Schwagle for running the mowers over the weeds. After the rain things green up and took off.

Thanks to Bobby Ponck for the weld repairs to the Craftsman mower deck. Having 2 working mowers sure helps out.

The side rails on the Kiosk that had twisted to the point of having to fight the lock to get into the pin box were replaced with new lumber and the roof was repaired. Thank you Bruce for picking that up and getting all the cuts put in them. Thanks to Bruce Picone, Norm Teague, Jack Allaway, Doug Russell, Bobby Ponck, Dan Fellbaum, Dave Vezina, and Larry "The thorn in our side" DeGeorge for helping out on this task. I hope I didn't forget anybody.

In April 2016 the Club voted in a moratorium to not allow new Drone only members. At the last meeting we talked about doing away with this restriction. It is felt that with the proper vetting and rules enforcement this activity should not pose a problem to the membership. We will vote on removing this moratorium at the February Meeting.

The Club's website will be moving to canyoncrosswinds.org. Thanks to Bob Awtry for all the work he has done on the .com site but his schedule doesn't leave him the time to keep up with the site. Thanks you again Bob. The webmaster of the new site is Tom Schaefer and Tom

has been working on the site for a while now. If you haven't seen it take a look.

And one more thing, nominations for Club Officers opens in April with voting to take place at the June Meeting. Think things are broke in the club, step up and run for office.

FUEL UPDATE: As of this writing we have 30 gallons on hand. Thanks to Bob for setting up the purchase and getting it to the field. See a club officer to purchase your fuel. The price is still \$20 a gallon.

The Board welcomes your ideals to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

The next regular Board-General Meeting will be at Mimi's Café, 24201 W Magic Mountain Parkway on **Wednesday** February 27, 2019 at 7:00 PM. Come join us for dinner or a piece of pie, cake, or muffin and visiting. We meet at 6:00 P.M. for dinner. All members and guest are invited.

That's it for now.
Take care and stay safe,
