

The Windsock

Canyon
Crosswinds
June 1, 2020

Greetings to all, hope this finds you and your families all well.

Thanks to all the members that showed up to our May General Meeting. The meeting was held at the field with plenty of room for everybody.

Club membership as of May 27th stands at 88 Members. Thank you, Mike, for that update. Membership cards were mailed out so I hope you received yours. Thank you, Mike, for getting those printed out.

The field weather station is up as of this writing. Thank you, Mike, for getting the hot spot working again.

The field lease has been paid for this year. Thank you, Bob, for getting that paid.

We may be looking at a lease increase for the field next year. Bill is setting up a meeting with the new park superintendent so we can talk about this and see if we can get a float fly date for this year.

FIELD OPEN:

The field is open and it is nice to see the membership using it again.

Thanks to Bill and Jim Schwagle for mowing the weeds down again.

ACTIVITIES AT THE FIELD:

Right before the field shutdown the crew working on the building installed new lights in the post light. The club installed a switch at the base of the pole as the lights were hard wired to the breaker and the only way to turn them off killed the power to the pit area outlets. So, for those of you that like afternoon flying there are now lights in the pit area. If you turn them on please

turn them off when you leave.

The field camera is still off line but we are working on getting a new one. We are looking for a camera that can upload the pictures straight to the web site server without having to use the computer. Hopefully we can find a suitable unit and get it on line.

CLUB OFFICER ELECTIONS:

Nominations were opened at the May meeting as they were as follows:

President: Jim Desautels
Vice President: Bill Ardizzone
Secretary: Kevin Thompson
Treasurer: Jack Alloway

In past years we have had nominations open at both the April and May meetings with elections at the June meeting. With the Stay at Home Order we could not have an April meeting so I will again open nominations at the June meeting before the election. I will have ballots available with space for write in if we have any other interested members.

MEMBERSHIP RENEWAL.

The membership cap has not been reached at this time so membership is still open to all who wish to join.

WEB SITE CLASSIFIEDS:

Our web master Tom has created a Classifieds section for our members on our web site "canyoncrosswinds.org" if you have anything to sale or are looking for something. If you wish to use this send your pictures and information about the item and contact information to, canyoncrosswinds.classifieds@gmail.com. All submissions must be associated with radio control. Thanks Tom.

CLUB HATS, SHIRTS, AND SWEATSHIRTS:

The club has new hats and sweatshirts available at the field. They came out very nice. The cost is \$25.00 for hats and \$40.00 for sweatshirts. See a club officer for yours.

FUEL UPDATE: As of this writing we have 15 gallons on hand. Thanks to Bob for getting this ordered and picked up and Thanks to Smith Brothers Hobby for selling us the fuel at their cost. The price is still \$20.00 per gallon.

The Board welcomes your ideas to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

The next regular Board-General Meeting will be at **THE CCW FIELD on Wednesday June 24, 2020 at 7:00 PM.** We will be voting for next year's Club Officers. On behalf of the CCW Board, take care of yourselves and your families. Stay well, stay safe. Take care and see you at the field, Jim Desautels
