

# The Windsock

Canyon  
Crosswinds  
September 12, 2020

Greetings to all, hope this finds you and your families all well.

The August Meeting was canceled due to the Lake Fire which had Lake Hughes Road closed. This also stopped us from getting to the field for flying. What a year we are having, closed for the Safer at Home Order, a one-day shutdown on a Sunday for air operations for a fire at the lake, and now this. I hope by the time you read this the road has opened.

Club membership as of July 22<sup>th</sup> stands at 93 Members.

The membership cap has not been reached at this time so membership is still open to all who wish to join

The field weather station is up as of this writing. The link from the web site will get you there, sometimes you will receive a 505 code. Just close and reopen the link and it should work.

We may be looking at a lease increase for the field next year. We are still waiting to hear back from the lake office on

this. I did get in contact with the new park superintendent and she did not reply to my question about an increase. She is new so maybe she's still getting her feet on the ground.

## **ACTIVITIES AT THE FIELD:**

The field camera is up and running on the Club Web site, with the fire there has been a lot of nothing going on up there. Thanks to Jack Allaway for getting the camera, jack and Jim Schwagle for getting it set up, Jim Lansen for getting it mounted, and Jack and Tom Schaefer for giving up their flying time to get it connected to the web site. Tom even got a library of past days video connected to the site. Just click on the camera and it will open. Thanks again guys.

Thanks again to Bill for mowing down the weeds around the field. Very dirty and dusty job this time of year.

## **WEB SITE CLASSIFIEDS:**

Our web master Tom has created a Classifieds section for our members on our web site "canyoncrosswinds.org" if you have anything to sale

or are looking for something. If you wish to use this send your pictures and information about the item and contact information to, [canyoncrosswinds.classifieds@gmail.com](mailto:canyoncrosswinds.classifieds@gmail.com). All submissions must be associated with radio control. Thanks Tom.

## **CLUB HATS, SHIRTS, AND SWEATSHIRTS:**

The club has new hats and sweatshirts available at the field. They came out very nice. The cost is \$20.00 for hats and \$40.00 for sweatshirts. See a club officer for yours.

**FUEL UPDATE:** As of this writing we have 36 gallons of fuel on hand. Thanks to Bill for getting it ordered and picking it up. **A Note on fuel cost:** The cost has been going up on fuel and Smith Brothers has been kind enough to sale the club fuel at their cost but with their price increase we had to raise the cost to \$25.00 a gallon. Please bring correct change for your fuel as we don't keep change at the field.

The Board welcomes your ideals to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

The next regular Board-

General Meeting will be at **THE CCW FIELD** on the **FOURTH** Wednesday of the month which will be **Wednesday September 23rd, 2020 at 7:00 PM.**

On behalf of the CCW Board, take care of yourselves and your families. Stay well, stay safe.

Take care and see you at the field,

Jim Desautels
