

The Windsock

Canyon
Crosswinds
October 12, 2020

Greetings to all, hope this finds you and your families all well.

Club membership as of September 30th stands at 95 Members.

The membership cap has not been reached at this time so membership is still open to all who wish to join

This newsletter will be short this month as not much has been going on and with the heat and smoke it has not been the most pleasant time to be outside. Fall is here so maybe we can get a break in the heat, who knows about the smoke.

We had the question of how many CCW members are interested in control line flying. If you have an interest in this activity please let a club officer know.

ACTIVITIES AT THE FIELD:

Thanks again to Bill for mowing down the weeds around the field. Very dirty and dusty job this time of year.

WEB SITE CLASSIFIEDS:

Our web master Tom has created a Classifieds section for our members on our web site "canyoncrosswinds.org" if you have anything to sale or are looking for something. If you wish to use this send your pictures and information about the item and contact information to, canyoncrosswinds.classifieds@gmail.com. All submissions must be associated with radio control. Thanks Tom.

CLUB HATS, SHIRTS, AND SWEATSHIRTS:

The club has new hats and sweatshirts available at the field. They came out very nice. The cost is \$20.00 for hats and \$40.00 for sweatshirts. See a club officer for yours.

MEMBERSHIP DUES: Just a reminder that your membership dues are NOT due until June 1, 2021. So enjoy the extra time to pay them.

FUEL UPDATE: As of this writing we have 36 gallons of fuel on hand. Thanks to Bill for getting it ordered and picking it up. **A Note on fuel cost:** The cost has been going up on fuel and Smith Brothers has been kind enough to sale the club fuel at their cost but with their price increase we had to raise the cost to \$25.00 a gallon. Please bring correct change for your fuel as we don't keep change at the field.

Thanks to Jack Allaway for the new flag. The old one was getting a little ragged.

The Board welcomes your ideas to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

The next regular Board-General Meeting will be at **THE CCW FIELD** on the **FOURTH** Wednesday of the month which will be **Wednesday October 28, 2020 at 7:00 PM**. We are not sure how many more meetings we can have this year with the early darkness and the winter weather coming and restaurants not set up for our needs due to the Covid 19 issues. On behalf of the CCW Board, take care of yourselves and your families.

Stay well, stay safe.

Take care and see you at the field,
