

The Windsock

Canyon
Crosswinds
November 3, 2020

Happy Thanksgiving and Greetings to all, hope this finds you and your families all still well.

Club membership as of November 3rd stands at 97 Members.

The membership cap has not been reached at this time so membership is still open to all who wish to join

This newsletter will be short this month as not much has been going on at the field.

FIELD ACTIVITIES:

Thanks again to Bill for mowing down the weeds around the field. Very dirty and dusty job this time of year. We are getting ready to seal coat and restripe the field again, just waiting on the quote. The last time it was done was in 2018 so to extend the life of the asphalt it's time again.

I received a phone call from a fellow in Washington state about a project he has coming up next summer and he asked if I could get it out to the members. So, he sent me an email with the following information and his contact info.

"My name is Drew Scherschligt. I am an airline pilot for Horizon Air. I am also an avid remote-control pilot. I've been flying for the last 10 years various models of airplanes. I have an opportunity for remote control pilots to get paid to fly airplanes. I am starting a business where I need to hire expert remote-control pilots for bird control in the agricultural community. I am looking to hire between 5-10 pilots for

next season. They will be flying roughly 45 days from the middle of June though July. The proposed pay currently is \$9000.00 for those days along with some nice added bonuses for good quality work. Must be at least 18 years old. There will be a flight test to pass to show they are capable. All equipment will be provided except transmitters. I'm asking for Spektrum remotes. The pilots will be flying an Eflite Turbo Timber or a Timber X. The job will be to chase birds out of crops and to keep them from coming in and damaging the fruit. Yakima Washington is where the pilots will be based. Please feel free to reach out to me with any questions. My number is 509 961-9806 and my email is S.drew8@yahoo.com. Pass this on to anyone and everyone who may be interested. It will be an easy and fun way to make some good money in a short season. Thanks Drew Scherschligt."

TRASH AT THE FIELD:

[We have been noticing more trash being left at the field. You know, broken props, empty water bottles, food wrappers. Please take your trash home with you.](#)

CLUB HATS, SHIRTS, AND SWEATSHIRTS:

The club has new hats and sweatshirts available at the field. They came out very nice. The cost is \$20.00 for hats and \$40.00 for sweatshirts. See a club officer for yours.

MEMBERSHIP DUES: Just a reminder that your membership dues are NOT due until June 1, 2021. So, enjoy the extra time to

pay them.

FUEL UPDATE: As of this writing we have 30 gallons of fuel on hand. Thanks to Bill for getting it ordered and picking it up. **A Note on fuel cost:** The cost has been going up on fuel and Smith Brothers has been kind enough to sale the club fuel at their cost but with their price increase we had to raise the cost to \$25.00 a gallon. Please bring correct change for your fuel as we don't keep change at the field.

WEB SITE CLASSIFIEDS:

Our web master Tom has created a Classifieds section for our members on our web site "canyoncrosswinds.org" if you have anything to sale or are looking for something. If you wish to use this send your pictures and information about the item and contact information to, canyoncrosswinds.classifieds@gmail.com. All submissions must be associated with radio control. Thanks Tom.

The Board welcomes your ideals to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

The next regular Board-General Meeting will be at a date to be determined. With winter coming and no indoor meeting areas due to COVID 19 we will not be having any General Membership Meeting for the next few months. If something comes up that requires a meeting, then the Board will call for one on a weekend during daylight hours.

On behalf of the CCW Board, take care of yourselves and your families. Stay well, stay safe.

Take care and see you at the field,
Jim Desautels
