

# THE WINDSOCK

May 2021

Greetings to all, hope this finds you and your families all still well.

Club membership as of May 1<sup>st</sup> stands 100 Members, that puts the Club at the membership cap. As of May 9<sup>th</sup>, the club has received 28 membership renewals. We also have two people waiting to join the club when renewals close in June.

## **ACTIVITIES AT THE FIELD:**

Not as much wind, so a few more flying days were had.

Thanks to Jack Allaway and Bill Ardizzone for helping me with dealing with the weeds growing along our access road. Just a few mornings and we had them cut back. Thanks to Bill for also mowing down the weeds along the runway and for blowing the weed cutting debris off the road.

## **MEMBERSHIP DUES:**

Just a reminder that your membership dues are NOT due until June 1, 2021. So, enjoy the extra time to pay them. The Club will accept your 2021-2022 due any time you wish to renew but your dues must be paid by June 30, 2021 or you will be dropped from the membership and any waiting people will be invited into the club. The DUES are again \$250 like last time and please include an application with your payment as two different people need to make sure you get on the membership list and you get your membership card. Also, this allows us to make sure the club has your latest information to keep you updated.

## **ACTIVITIES AWAY FROM THE FIELD:**

As you may have noticed this newsletter looks different from the normal letter. It is in progress of being changed due to the fact that our long time Newsletter Editor Jim Schwagle has had to step down from his position. I wish to thank Jim from me and on behalf of the club for getting the newsletter out for many years. Jim took over these duties not long after I became club president and this month is column #107 for me. So, Jim getting these out to you is about the same amount. Thank you, Jim, for all your work all these years.

## **NOMINATIONS FOR CLUB OFFICERS:**

As in past years we open the floor for nominations at the April and May meetings as the Club elections take place at the June Meeting. We will be having an April meeting at the Field to allow for this. So come to the meeting, step up, and get nominated for a Club Officer position. There is no pain in it.

At the April meeting we opened the floor of officer nominations. So far, the only nominations we received were for the existing officers to serve another term. At

the May meeting we will again open the floor for nominations for club officers. So you my friends STILL have time to run!

**FUEL UPDATE:** As of this writing we have 22 gallons of fuel on hand. Thanks to Bill for getting, it ordered and picking it up. **A Note on fuel cost:** The cost has been going up on fuel and Smith Brothers has been kind enough to sale the club fuel at their cost but with their price increase we had to raise the cost to \$25.00 a gallon. Please bring correct change for your fuel as we don't keep change at the field.

**CLUB HATS, SHIRTS, AND SWEATSHIRTS:**

The club has new hats and sweatshirts available at the field. They came out very nice. The cost is \$20.00 for hats and \$40.00 for sweatshirts. See a club officer for yours.

The Board welcomes your ideals to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

**NEXT MEETING:**

The next regular Board-General Meeting will be on **THURSDAY MAY 27, 2021 (notice the day of the week change) at 7:00pm at the field.** The day change is so that ALL board members came make the meeting. I'm hoping by having our meetings at the field we can maintain a safe environment for our members that wish to attend.. Also bring a plane and come early and get in a few flights. On behalf of the CCW Board, take care of yourselves and your families. Stay well, stay safe.

Take care and see you at the field,

Jim Desautels
