

THE WINDSOCK

January 2022

Greetings to all and Happy New Year, hope this finds you and your families all still well.

Club membership as of January 1st stands 90 Members. Welcome back to our members and welcome to our new members.

ACTIVITIES AT THE FIELD:

All current Club bills are up to date with the exception of Edison.

A request has been sent in to the Lake Office to renew our field lease. We should hear back from them shortly with the cost.

FILMING ON THE MESA BY THE FIELD.

Starting January 7, 2022 Newhall Ranch will be having a film shoot on the mesa adjacent to our field. This activity will probably affect our use of the field depending on their location to our field during set up and tear down. I'm sure that during film days we won't be able to fly due to the noise.

The current schedule I have is for set up days on January 7th & 8th, 2022. January 9th 2022 is a down day and should allow for flying. January 10th & 11th 2022 are film days, this is the time that our noise would affect them. January 12th 2022 is the day they tear down.

There will be a base camp set up and people will be there around the clock. Their current schedule has work hours 7AM to 7PM and film days 6AM to 8PM.

I'm hoping that they set up toward the south end of the mesa so that we still can use the north end on non-film days.

Please remember to be courteous to this crew as Newhall Ranch still allows us access to their land.

Any changes to this schedule and I'll let you know when I know.

FUEL UPDATE: As of this writing we have 31 gallons of fuel on hand. We did receive a price increase on the fuel so the Club has had to raise the price to \$30.00 a gallon. The Club paid \$32 and change per gallon and the hobby shop is charging \$37.95 plus tax per gallon. Still a deal at the field. Please bring correct change for your fuel as we don't keep change at the field.

CLUB HATS, SHIRTS, AND SWEATSHIRTS:

The club has new hats and sweatshirts available at the field. They came out very nice. The cost is \$20.00 for hats and \$40.00 for sweatshirts. See a club officer for yours.

It's been 7 months since the last Club Office elections and I wanted the membership to know that next year I will not be running for office again. I have

had this position for 10 years and it's time for a break and time for some new blood to step up. So as a club you need to start thinking about who wants to run to fill the position of President.

The Board welcomes your ideals to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

NEXT MEETING:

The next regular Board and General Meeting will take place in the spring as it's getting dark too early to hold meeting at the field. If something comes up that needs to be addressed by the membership then we will hold a special meeting at the field on a weekend.

On behalf of the CCW Board, take care of yourselves and your families. Stay well, stay safe.

Take care and see you at the field,

Jim Desautels
