

THE WINDSOCK

April 2023

Greetings to all.

Club membership as of April 1st stands 84 members.

The field lease has been paid and was the same as last year. The cost was \$4900. I talked to the park superintendent about the cost and it seems that the park has had fee increases over the years but the person doing the paper work just pulled the old paperwork and changed the dates. During an audit in 2021 this was found so that caused the price increase last year.

NOTE: Before you know it, it will be time for membership renewals and club officer elections. Renewals are due by June 1st and renewals can be paid any time.

CLUB OFFICERS:

At the April Meeting nominations for Club Officers will be open. This will also take place at the May Meeting. Elections will be held at the June Meeting. The office of President will be open.

ACTIVITIES AT THE FIELD:

As of this month the park is inspecting the restrooms at the field and are going to inspect the water pumps, water supply piping, and sewer with the intention of returning the restrooms to service. Their plan is to have this completed by the end of the year. We will see what happens. The County is also working on setting up a lease system instead of the month-to-month rental we have been under since coming to our site. Last item from the County is that the sign at the entrance road must be removed as it doesn't meet the County requirement for signage on County property.

Thanks to Bill Ardizzone, Norm Teague, And Jim Lansen for mowing and running the Brush Hog. We did have a mower deck suffer a machinal breakdown. Thanks to Bill Ardizzone for carting, it to Palmdale and picking it up after repairs. Thanks to the other guys with the help removing and reinstalling the deck.

DUST OFF YOUR WARBIRDS: The Memorial Day Warbird is back on this year. The date is Monday May 29, 2023. Still working on the food menu but get those warbirds ready.

We are also planning another Club Fun Fly for Saturday July 15, 2023. More on this as we finalized the details.

FUEL UPDATE:

As of this writing we have about 20 gallons of fuel on hand. We did receive a price increase on the fuel so the Club has had to raise the price to \$35.00 a gallon. The Club paid \$35.06 a gallon and the hobby shop is charging \$39.99 plus tax per

gallon. Still a deal at the field. Please bring correct change for your fuel as we don't keep change at the field.

SHIRTS, AND SWEATSHIRTS:

Tee shirts and sweatshirts and hats available at the field. They came out very nice. The cost is \$20.00 for tee shirts and hats and \$40.00 for sweatshirts. See a club officer for yours.

The Board welcomes your ideals to make the club a better place for all members. We also welcome your criticism as long as it's constructive criticism.

MEETING UPDATE:

The next regular Board and General Meeting will take place on **THURSDAY April 27, 2023** at 7:00 PM at the Mimi's Cafe. We will meet at 6 PM for dinner. On behalf of the CCW Board, take care of yourselves and your families. Stay well, stay safe. Take care and see you at the field, Jim Desautels
